## "90th Anniversary" special edition microphones

2018 is the 90th Anniversary of the year that Georg Neumann started his original company (1928) and that company still owns Microtech Gefell.

These "90th Anniversary" special edition microphones are only available until the end of this year 2018.

Anyone who buys a "90th Anniversary" microphone from an official UK dealer will receive an exclusive "90th Anniversary" pin badge (like the badge on the microphone) and any salesman who sells a "90th Anniversary" microphone will be entitled to a badge as well
