2018 is the 90th Anniversary of the year that Georg Neumann started the company, Georg Neumann & Co. (1928) and this company still own Microtech Gefell.

In celebration of this, Microtech Gefell have released several "90th Anniversary" microphones.

This symbol by a microphone in this price list indicates that a special "90th Anniversary" edition of the microphone is available - these are the same price as the standard version - please state with order that a "90th Anniversary" edition is required.

This price list supersedes all previously issued price lists.
 Prices are ex-works Gefell including packing. Freight charged extra at cost.
 Payment is required prior to shipment unless specifically otherwise agreed.
 Manufacturer reserves the right to make changes/improvements without prior notice.
 Title to the goods remains with the seller until the goods are paid for in full.

"90th Anniversary" special edition microphones

2018 is the 90th Anniversary of the year that Georg Neumann started his original company (1928) and that company still owns Microtech Gefell.

These "90th Anniversary" special edition microphones are only available until the end of this year 2018.

Anyone who buys a "90th Anniversary" microphone from an official UK dealer will receive an exclusive "90th Anniversary" pin badge (like the badge on the microphone) and any salesman who sells a "90th Anniversary" microphone will be entitled to a badge as well
